Malcolm Hunter 19th Against World's Best

GOSAU, Austria (AP) — Braving clothing problems, four girls and three men of the Canadian Nordic skiing team fared well in special cross-country events within the European Nordic junior skiing championship competition here Jan. 30, organizers said.

The Canadians did not compete in the jumping and cross-country events for the combined European junior title which went to East Germany's Guenther Deckert with a total of 427.675 points.

Results of Canadian entries among 48 entrants in the girls' special five-kilometre cross-country race won by Hilikka Huntola of Finland in 19.36.7 were: 21. Shirtley Firth 21.27.5; 22. Sharon Firth 21.30.4; 30. Anita Al-

len 22.28.0; 32. Rosa Allen 22.51.5. The Firth twins and the Allens come from Inuvik, NWT.

MEN'S RESULTS

The men's 10-kilometre special cross-country race was won by Oddvar Braan, Norway, in 30.05.2, ahead of five other Scandinavian entries.

Results of the Canadians competing were: 19. Malcolm Hunter 32.44.0; 39. Fred Kelly 33.54.6; 51. Roger Allen 35.07.6. Hunter is from Ottawa and Kelly from Inuvik.

Organizers said the Canadians asked whether they could compete in the events and there was no reason why they should not.

But an official said "had a Canadian competitor finished in the first three places this could have caused us some headache."

The official said both the Canadian team, coached by Norwegian-born E. Petersen, and organizers went through nightmares caused by a puzzling series of delays in dispatch, reloading and delivery of new ski clothing for the team which had been ordered in Norway but did not arrive on time for them to don in competition.

"They used their old skiing gear after scores of phone calls and telex messages between Gossau, Vienna, Oslo

Canadian CC Teams Finish 6th and 10th

SAU, Austria (AP) — Canadian ski teams finished sixth and 10th in the cross-country relay races here Sunday, the final events of this year's European Nordic junior skiing championship.

In the girls' three-by-five relay, Shirley and Sharon Firth and Rosa Allen, all of Inuvik, NWT, finished sixth in one hour, eight minutes, 22.9 seconds. Finland won the event in 1.03.31.5, followed by the Soviet Union and Norway.

The men's three-by-10 kilo-

metre relay was won by the Norwegian team in 1.40.34.0. The Canadian team of Malcolm Hunter of Ottawa, Fred Kelly and Roger Allen, both of Inuvik, finished 10th in 1.50.12.4.

Austria, the Soviet Union and Yugoslavia were disqualified because they did not mark their skis. Championship rules call for marking of skis to rule out the chance of an exchange for better-waxed skis during competition.
